## Guide column with intergrated gas spring

### Variable, multi-purpose!

Thanks to our modular system, the Bansbach guided columns are variable in length and can be used in various applications. They are supplied according to your specifications along with a customized, pre-installed gas spring that suits your specific needs minimizing assembly time and costs.

Bowdenwire

#### Product details:

- Pre-assemble Column and Gas spring
- Simple installation
- stroke length from 100 to 500 mm
- extension force 40N - 700N
- locking force in pull direction: 2,5 x F1
- locking force in push direction: 9 x F1
- progressivity ca 35%
- secured against rotation
- Release system: hydraulic (top), bowden wire (top) or lever (bottom) possible (see gas spring catalogue page 20)

Order number

guide column	release system	stroke	min. extended length (EL3)	force	model	Index
FSE	H	300	794	250	T	001
	H=hydraulic B=bowden wire L=lever	100 - 500	EL3 = stroke x 2,13 + 155	40N - 700 N	T	only for repeating orders
